Dear Concerned,

I hereby certify that Prabal was employed as a Senior Developer with our company Roundr Realtor Technology Ltd, during the period starting from October 2019 to end of June 2020.

We are sad to part ways with Prabal as he has decided not to join our team in moving from Pune to Mumbai as our team location. During the time Prabal spent with us he demonstrated exceptional commitment, dedication and enthusiasm towards the team and the company. His interpersonal skills are outstanding and he has been very helpful and has been highly appraised by myself as the company ceo.

We wish him success in his future efforts and he will be missed.

Regards,

Jansen Myburgh (CEO - Roundr Realtor Technology Ltd)
